

Dessert Sauces

Tasmania is renowned for its berry fruits – the finest in Australia due to our cool climate. The Tasmanian Gourmet Sauce Company is equally renowned for its berry fruit sauces. **Raspberry, Blueberry, Loganberry, Blackberry and Boysenberry.** In every bottle you will find the pure and natural flavours of our berries, all varying subtly according to the variety. Serving suggestions are endless! Try them with ice cream, cream and fresh fruit. A bowl of yoghurt becomes a gourmet delight, as does a milkshake when adding gourmet sauce. Waffles, cheesecakes, pavlovas, muffins and brandy snaps are just a few desserts waiting for our sauces. What about apple pie with blackberry sauce?

Chocolate sauce is a smooth, rich sauce, the perfect accompaniment to gourmet desserts.

Savoury Sauces

Cumberland Sauce – a subtle flavour captured by the combination of red currants, port wine, lemons, orange and spices – wonderful with strong game meats such as turkey, duck, hare, quail and venison. Try it with pork!

Strawberry Chilli – mild heat, stunning flavour, an exciting accompaniment to chicken, fish, stir-fries and as a dipping sauce.

Thai Chilli – excite the taste buds of the most discerning chilli lover. Serve with curries, kebabs, stir-fries and mixed with yoghurt and coriander.

Jams

Apricot Jam – Tasmanian sun-ripened apricots make this award-winning jam a taste sensation. Great on scones, in baking and a delicious addition to savoury and meat dishes.

Blueberry and Port – a rich and versatile jam to use in tarts, cakes, scones and muffins.

Crushed Strawberry Conserve – delicately flavoured conserve. Delicious in flans, sponges and with scones.

Raspberry Jam – this award winning recipe uses the finest Tasmanian raspberries to produce a rich delicious jam.

Summerberry – a bountiful combination of wonderful berry fruits – raspberries, boysenberries, red currants and blackberries.

Whisky Seville Marmalade – a traditional marmalade enhanced by the addition of Tasmanian Malt Whisky.

Chutneys & Relishes

Tomato Kasoundi – based on a traditional Indian recipe, this wonderful spicy chutney will bring curries, fish, cold meat and cheeses to life.

Tomato Relish – an old favourite has been given a subtle spicy lift placing it firmly in the gourmet food lover's range.

Apricot Chutney – a balance of sharp and sweet flavours, this fruit chutney is a must with hot and cold dishes, stir-fries and cheeses.

Plum and Pepperberry – rich and fruity with the distinctive flavour of the Tasmanian Pepperberry. Serve with spicy foods, cheeses and hot and cold meats. Also wonderful as a glaze on lamb, beef or pork.

Chilli Jam – This piquant chilli jam is made from fresh chillies. Enhances but doesn't overpower foods. Superb with meats, vegetables and cheeses, also as a glaze when cooking.

Mustards

Honey – well balanced flavour – not too hot allowing the flavours of Tasmanian bush honey to be enjoyed. Delicious with meats and cheeses and to add to sauces and salad dressings.

Horseradish – hot and smooth! Exceptional with roast beef and steak. Wonderful to cook with too!

Hot Chilli – a full flavoured wholeseed mustard for lovers of hot chilli. Delicious with hot or cold meats. Try brushing onto meat and grilling or baking.

Hot Whisky – a hot and dark coloured mustard, steeped in Tasmanian Malt Whisky. Serve with meats, vegetables and cheeses.

Mild Wholeseed Mustard – for lovers of mild mustards this is ideal. Wonderful added to vegetables, salad dressings, barbecue meats and hams. Add to potato topped with sour cream for a special treat.

Pepperberry – the spicy heat of the Tasmanian Pepperberry provides this mustard with distinctive taste and colour – a must for lovers of mustards.

Pasta Sauces

Arrabiata (Chilli) – we add a little chilli to this superb sauce to enable chilli lovers to create the perfect pasta dish. Fresh garlic and extra virgin olive oil add depth and flavour.

Olive e Capperi (Olive & Caper) – Kalamata olives and capers enhance this sauce, giving it a complexity of flavours reflecting the culinary moods of the Mediterranean.

Pomodori Secchi & Basilia (Sundried Tomato & Basil) – a richly flavoured sauce using sundried tomatoes and fresh basil, giving intensity and freshness as is expected in authentic Italian pasta sauces.
